All persons who are exempted are subject to all other rules and regulations of the Fairborn Municipal Court or any Judge's orders regarding confidentiality and/or any other courtroom restrictions on the use of said item(s).

After consultation with the media, the judge shall specify the place or places in the courtroom where the operators and equipment are to be positioned. Only one camera will be allowed in the courtroom for the recording of any proceeding. Media representatives shall not be permitted to

transmit or record anything other than the court proceedings from the courtroom while the court is in session. This rule shall not be construed to grant media representatives any greater rights than permitted by law. Victims and witnesses have a right to object to being filmed, videotaped, recorded, or photographed. Upon the failure of any media representative to comply with the conditions prescribed by this rule or the judge, the judge may revoke the permission to broadcast or photograph the trial or hearing.

Unless written permission is granted by the judge, there shall be no filming, videotaping, recording, or photographing of jurors or prospective jurors.

Rule 1.17 RULES FOR ELECTRONIC SIGNATURES

These rules are established to ensure the authenticity of a signature. If it is established that a document was electronically signed without authority, then the party shall notify the court and the other party. Judge or Magistrate shall order the Clerk to strike the unauthorized document from the record.

1. Signature of Judge or Magistrate

Documents may be signed by a Judge or Magistrate with an electronic signature. All orders, decisions, entries, permits, judgments and other documents signed in this manner shall have the same force and effect as if the Judge or Magistrate had affixed his or her signature in a conventional manner.

To ensure that the electronic signature is authentic, the signer has to use a user name and password to log into the court's secured network to assess the document to be signed. No Judge or Magistrate shall share these passwords with others.

2. Clerk, Deputy Clerk, Bailiff, Deputy Bailiff, Assignment Commissioner, Secretary, Probation officer, and other court personnel

Documents may be signed by all court personnel with an electronic signature.

To ensure that the electronic signature is authentic, the signer has to use a user name and password to log into the court's secured network to assess the document to be signed. No personnel shall share these passwords with others.

3. Attorney, Plaintiff, Defendant, or litigant

Documents may be signed by an Attorney, law enforcement, Plaintiff, Defendant, or other litigant with an electronic signature.

Rule 1.18 COURT RECORD MANAGEMENT FOR PAPERLESS FILES

Effective on or about January 3, 2017, the Court has a process of creating and maintaining all new Civil and payable, waived violations bureau cases filed in electronic

form. The electronic media created and maintained pursuant to this Rule will be the official court record, and case filings will no longer be maintained in paper form. Case filings will be retained in accordance with the retention schedule contained within Rule 26, 26.01 and 26.05 of the Ohio Rules of Superintendence. Each case filing will display digital acknowledgment of the date and time it was received by the Clerk of Courts. Any closed case which has been converted to digital format is the official court record. All electronic case filings may be viewed at the office of the Clerk of Courts during normal business hours under the general supervision of the Clerk or Deputy Clerk.

Rule 1.19 CUSTODY AND DISPOSAL OF EXHIBITS

The court bailiff is the official custodian of exhibits, depositions and transcripts. Pursuant to Ohio Rules of Superintendence Rule 26(F), at the conclusion of litigation, including time for appeal, the court bailiff may destroy the exhibits, depositions and transcripts.

The bailiff will send written notification to the party that tendered any exhibits, depositions and transcripts. The party will have 60 days to collect the exhibits depositions and transcripts. Failure to collect the exhibits will result in the exhibits, depositions or transcripts being destroyed.

Rule 1.20 COURT PUBLIC RECORD POLICY

All records kept by the Court are public unless they are exempt from disclosure under Ohio law or the Ohio Rules of Superintendence. All public records must be organized and maintained in such a way that they can be made available for inspection and copying.

Public records are to be available for inspection during regular business hours, with the exception of published holidays. Public records must be made available for inspection promptly. Copies of public records must be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; and the necessity for any legal review and redaction of the records requested.

It is the goal that all request for public records should be satisfied within 7 business days following the receipt of the request. Each request will be evaluated for an estimated length of time required to gather the records. If a request is deemed significantly beyond "routine," an acknowledgement must be forwarded to the requester indicating the estimated number of business days it will take to satisfy the request and an estimate of the costs involved.

Although no specific language is required to make a request for public records, the requester must at least identify the records requested with sufficient clarity to allow the Court to identify, retrieve, and review the records. If it is not clear what records are being sought, the records custodian must contact the requester for clarification, and should assist the requester in revising the request by informing the requester of the manner in which the office keeps its public records.

The requester does not have to submit a records request in writing, and does not have to provide his or her identity or the intended use of the requested public record. In processing the request, the Court does not have an obligation to create new records or perform new analysis of existing information. An electronic record is deemed to exist so long as a computer is already programmed to produce the record through simple sorting, filtering, or querying.

In processing a request for inspection of a public record, a Court employee must accompany the requester during inspection to make certain original records are not taken or altered.

If the requester makes an ambiguous or overly broad request for public records, the request may be denied. The denial; however, must provide the requester an opportunity to revise the request by informing the requester of the manner in which records are maintained and accessed by the Court. Any denial of public records requested must include an explanation, including legal authority. If the initial request was made in writing, the explanation must also be in writing. If portions of a record are public and portions are exempt, the exempt portions may be redacted and the rest released. When making public records available for public inspection or copying, the requester shall be notified of any redaction or the redaction shall be made plainly visible. If there are redactions, each redaction must be accompanied by a supporting explanation, including legal authority.

Those seeking public records will be charged for the costs of making copies, not labor. The requester may choose whether to have the record duplicated upon paper, upon the same medium in which the public record is kept, or upon any other medium on which the Court or City determines that the record can reasonably be duplicated as an integral part of the Court's normal operations. The charge for paper copies of Court records is \$0.10 per page. A requester may be required to pay in advance for costs involved in providing the copy. If a requester acts that documents be mailed, they may be charged the actual cost of the postage and mailing supplies. Fairborn Municipal Court reserves the right to collect outstanding costs accumulated from previous request(s) before providing responses to new requests from the same requester.

All general questions concerning requests for Court public records may be directed to the Clerk of Courts.

3. Upon the filing of a motion, the Clerk shall immediately forward the case to the Office of the Judge for review.

Rule 3.03 JUDICIAL STEPS

1. **Scheduling Conference:** Upon entering a not guilty plea and if time allows, the case shall be set for a scheduling conference to determine whether the defendant has obtained counsel or whether defendant is waiving his right to counsel. If counsel has entered an appearance prior to the scheduling conference hearing, then this conference shall be canceled.

2. **Pretrial:** After arraignment or the scheduling conference, the Assignment Commissioner shall set the case for a pretrial conference when time allows, or as directed by the Court. The pretrial shall be conducted in accordance with Criminal Rule 17.1 and a memorandum of the matters agreed upon shall be filed in the case. If the defendant has decided to waive his/her right to counsel the Judge or Magistrate may set the matter for a pretrial if appropriate.

3. **Motions:** All motions shall be made in writing and accompanied by a written memorandum containing the arguments. Motions must be filed and served within the time limits established by the Ohio Rules of Criminal Procedure. Any copies of motions left with the Clerk to place in the prosecutor's box do not constitute service upon the prosecutor. The Court shall then direct whether the motion shall be set for hearing.

4. **Trial:** Each case not resolved at pretrial shall be set for trial to the Judge or Magistrate. If a jury demand is timely filed, then the case will be moved to the jury trial schedule. All attorneys or pro se defendants shall notify the court by 1:00 p.m. of the day preceding their jury trial of any change in plea or waiver of the jury trial. Failure to do so may result in jury costs being assessed. The last jury case canceled will be charged for the jury fees.

5. **Final Pretrial Conference:** If the case is set for a jury trial, then the Court will schedule a Final Pretrial Conference. Attorneys and the defendant are required to appear for this hearing. All discovery and a list of potential witnesses shall be provided to the opposing party prior to the final pretrial conference. Failure to provide such information may result in the exclusion of the evidence or witness at trial.

6. **Disposition:** If the Pretrial Conclusion sheet indicates that the Defendant will be pleading, or if directed by the Court, the Assignment Commissioner shall schedule the matter for Plea and Disposition.

7. **Sentencing:** Sentencing hearings shall be set as soon as practicable after the trial or after acceptance of a plea if directed by the Court.

CASE MANAGEMENT IN SPECIAL TRAFFIC PROCEEDINGS

Rule 4.01 TRAFFIC INTERVENTION PROGRAM

In order to assist individuals to become valid and responsible drivers on the public roadways by providing support services, the Fairborn Municipal Court established the Traffic Intervention Program (TIP). The program was established as a collaborative effort which included the Court, prosecutors, defense counsel and law enforcement. A \$50.00 fee will be assessed for any participant who enters the program to help defray the costs of additional staff time dedicated to the program. This fee is separate and apart from any fines and costs to be determined at sentencing. If the Defendant fails to appear at arraignment and a warrant is issued, participation in the program is solely at the Judge's discretion.

Procedure

- (1) The Driving Under Suspension, "DUS", and No Operator's License, "NO OL", cases will be reviewed by staff to determine if a defendant's case meets the criteria for participation in the TIP.
- (2) The TIP officer will review the forms for the defendant's signature and list all steps the participant must complete to restore or obtain their driver's license.
- (3) Follow-up appointments will be scheduled with program participants to review the status of their steps towards reinstatement.
- (4) The case shall be set for disposition to the Court within 120 days of the arraignment date for final resolution. If the offender obtains a valid driver's license and proper insurance, the charge will be amended to No Operator License as a minor misdemeanor with court fines and costs being assessed. If the defendant does not obtain a valid driver's license and insurance, then the charge will not be amended. In addition, if defendant receives new charges of Driving Under Suspension, Failure to Reinstatement, or a No Operator License while in TIP, then the original charge will **not** be amended. A warrant will be issued if the violator fails to appear for disposition.

Criteria

The criteria for TIP may be reviewed periodically and may be modified. Each referral will be considered on a case by case basis and analyzed to determine if the TIP program is suitable for the individual.

Generally cases meeting all of the following criteria will be recommended for referral into the Traffic Intervention Program:

- A. Defendant does not contest the merits of the citation;

- B. License is not suspended as a result of OVI, ALS, drug conviction, vehicular homicide, vehicular manslaughter, vehicular assault, hit/run violations, habitual alcoholic designation or court suspension;
- C. Defendant has valid automobile insurance or is able to obtain insurance within 120 days;
- D. No criminal felony or misdemeanor charges accompany or arise from the traffic stop;
- E. The moving violation did not result in an accident or speeding violation over 30 mph or speeding in a school zone;
- F. The defendant's license is under suspension and the suspension will be completed within 120 days of the arraignment date or violator has no current suspensions except for reinstatement fees that are due and can be paid within 120 days of the arraignment date or qualifies for a payment plan for the reinstatement fees;
- G. No indication that defendant was disrespectful to the officer;
- H. No prior participation with the TIP program within the last three years unless the Judge and the prosecutor approve;
- I. No new charges of Driving Under Suspension, Failure to Reinstatement or No Operator's License while in program;
- J. No more than 2 accompanying traffic charges other than charges of similar import--i.e. other driving under suspension or no operator's license type charges;
- K. If there are 2 or more Driving Under Suspension, Failure to Reinstatement, or No Operator's License charges the defendant will plead to the highest level offense.
- L. Defendant may not have more than five DUS/No Operator's License convictions within the past three years.

CASE MANAGEMENT IN CIVIL CASES

Rule 7.01 PURPOSE OF RULES

The purpose of these rules is to establish pursuant to Sup. R. 5(B) a system for civil case management which will achieve the prompt and fair disposal of civil cases.

Rule 7.02 SCHEDULING OF EVENTS

The scheduling of a case begins when a civil case is filed. Thereafter, the case is managed in three (3) clerical steps and five (5) judicial steps.

Rule 7.03 CLERICAL STEPS

1. **Summons:** Summons shall be served in accordance with the Ohio Civil Rules of Procedure. In the event there is a failure of service, the Clerk shall immediately notify counsel or the party, if pro se. If the party fails to obtain service of summons within six (6) months from the date the complaint was filed or three (3) months if a Small Claims Complaint, then the Court shall notify counsel that the case will be dismissed for lack of progress in thirty (30) days unless good cause is shown to the contrary.

2. **Responsive pleading:** After any responsive pleading or motion is filed, the Clerk shall immediately forward the pleading and file to the Judge or the Magistrate so that the matter may be set accordingly.

3. **Settlement:** When a file has been marked as settled and the entry has not been received within fourteen (14) days of said notice, then the Court shall notify the party that the case will be dismissed unless the entry is received within an additional fourteen (14) days from the date of the notice. Failure to respond and file the appropriate paperwork will result in the case being dismissed without prejudice at plaintiff's costs.

Rule 7.04 JUDICIAL STEPS

1. **Pretrial Hearing:** After an Answer is filed, the case will be assigned to the Judge or Magistrate and the Clerk will forward the file to the Assignment Commissioner who will schedule a pretrial hearing. Notice of the pretrial conference shall be given to all counsel of record by mail and/or e-mail notice from the Assignment Commissioner.

2. **Motions:** All motions must be in writing and accompanied by a written memorandum containing the arguments and related citations. The opposing party or counsel shall answer in like manner within fourteen (14) days thereafter from the date the motion is filed. All motions will be considered submitted at the end of said fourteen (14) day period unless time is extended by the Court. There will be no oral hearings granted on the motions unless the parties request an oral hearing in writing and the

Court deems it necessary or if required by Rules of Civil Procedure.

3. **Trial:** Each case not resolved at pretrial conference shall be set for trial to the Judge or Magistrate. If a jury demand and deposit is timely filed, then the case will be moved to the jury trial schedule. All attorneys or pro se parties shall notify the Court by 1:00 p.m. of the business day preceding the jury trial of any settlement. Failure to do so may result in jury costs being assessed.

4. **Final Pretrial Conference:** If the case is set for a jury trial, then the Court will schedule a final pretrial conference. Attorneys and the defendant are required to appear for this hearing. All discovery and a list of potential witnesses shall be provided to the opposing party prior to the final pretrial conference. Failure to provide such information may result in the exclusion of the evidence or witness at trial.

5. **Judgment Entry:** The Court shall prepare all entries for contested matters unless it orders otherwise. Entries of settlement may be filed at any time. The avoidance of trial by settlement shall be allowed without the filing of an entry, but an entry shall be filed within twenty-eight (28) days of notifying the Court of the settlement. The journal entry shall state which party will pay the court costs. Failure to provide the entry within said twenty-eight (28) day time period will result in the case being dismissed without prejudice at plaintiff's costs, unless otherwise ordered by the Court.
